THE SECRETS OF JONATHAN SPERRY

WHAT HE TEACHES THEM.....WILL LAST FOREVER

Christian families looking for wholesome and satisfying entertainment will appreciate "The Secrets of Jonathan Sperry."

Set in the summer vacation of 1970, it is the story of young friends whose lives are changed through friendship with a man who does more than encourage them to study the Bible; he sets a standard for them to live up to in the way that he applies Biblical teachings to his own behavior.

Former "Mary Tyler Moore Show" and "Love Boat" actor Gavin MacLeod plays 75 yo Jonathan Sperry while Dustin is played by Jansen Panattiere, younger brother of "Heroes" star Hayden Panattiere. Former "Soap" and "Benson" star Robert Guillaume co-stars.

The film's sincerity and above average script, helps it live up to the teaching style of its title character as well as the content of his lessons. Its portrayal of patience, kindness, and forgiveness as the most significant and life-changing forces of Christianity - for those who give as well as those who receive - are undeniably touching.

Christian actor Kirk Cameron (Growing Pains) said, "The Secrets of Jonathan Sperry moved me with its message of eternity and how one faithful man can make a difference in the lives of many. I recommend this inspiring movie for any family to watch together."

With thanks to Heritage HM, "The Secrets of Jonathan Sperry" is a special fundraising event for 106five Rhema FM and will be screened at 7pm Friday, 28 January at the Nambour Christian College Lecture Theatre, 2 McKenzie Road, Woombye, just off the Nambour Connection Rd. Tickets \$10. Phone 54 422

I just want to say 'thank you' for blessing our ears and hearts every Tuesday with Sarah's wisdom & wit.

I really enjoy how she touches on "family" whether it be her son telling a riddle or how she dealt with discussing Halloween around the table at home with her family.

Christian Mums have to face issues like this so it's very re-assuring of our faith to hear a Godly woman's wisdom on how she dealt with discussing Halloween around the table at home with her family.

- Gillian

To all the staff that make this great station work, THANK YOU!

I know how you are struggling but if that saves one soul, then I think it is worth it. No amount of money or time or anything on earth can "buy" you eternal life, so if you managed to give just one person eternal life, wasn't it worth it?

I first want to tell you about me. I came to Australia and began a job as a truck driver. I hated it and wondered how I came to be where I am. I was down and depressed, wanted to go back to my farm in South Africa, to my family and friends, to my culture and language, it was so comfortable. I was shocked at the Godless lifestyle of Australians and for the first time I, a luke warm Christian, was the minority.

Now, looking back, as God always know best, it saved me from being spat out of His mouth into the darkness.

Yes, I discovered your station one day by "accident", while searching for something better than the Godless shallow stations there are so plenty of. Thank God I found you just as Insight for Living started with Chuck Swindoll. He made me see that I am actually not as saved as I thought.

From that day on, I am always tuned to you and for the past (I have to lie if I guess how long, maybe 9 months) my heart started burning, goosebumps sometimes appear and I can not keep my mouth shut, as the Holy Spirit just overflows from within me.

So, thank you for your station. Thank you for saving my soul. Thank you for all the good, deep teaching that got me to know God so much better! I will forever be grateful! Yes, I went to church and Sunday school since I can remember but God used you to save me. He knew better and now I see why I am here and why I

ANNOUNCER

SARAH CLARKE

When Sarah was asked to help out at 106five, she jumped at the chance to utilize her extensive knowledge of PR/Marketing in a Christian Ministry but, for a girl who loves to talk, it's no surprise she now takes care of a regular air shift.

As a mother of young children, she finds it refreshing to be a part of a community Christian station that is family friendly and enjoys being able to give back to her community in a positive way.

Despite being a working Mum, Sarah loves to relax with her family and enjoys time on the beach or watching a movie together.

had to be a truck driver!

I think it is time I try to help you too. In South Africa we used to make a lot of eatables and sell it on markets and more. That is the one thing that built almost all our incredible church buildings. If you organize something like that or anything for that matter to try and meet your financial goals, I would love to help. I am sure we can make the money if everyone pitches in and helps. I can't help thinking about all the different gifts all of us have. Let's put it together and use it for God's glory! If I can help in any way, please let me know.

Lots of love and may you all be blessed like I have!
