

## GIVING HOPE THROUGH 106five FM

106five Rhema FM, is embarking on our first major fund-raiser for 2011 by encouraging listeners to support us AND the Salvos .

We are about to launch the *Giving HOPE Twenty-11* Appeal and we're looking for help.

In order for 106five to continue with their mission to GIVE HOPE to the Sunshine Coast and beyond, they need hundreds from their listening area to donate towards this initiative. Moreover, there are many people across Queensland and Australia who need help to sort out their lives after the devastation of recent days. 106five will be making an on-air appeal from **March 16 to 19**.

As part of *Giving HOPE Twenty-11*, 106five will be inviting well-known Coast identities to their studios to participate in the fun. Listeners can call in, make a donation and speak to one or more of these folk.

From the funds raised, 106five will pass on 10% to the **Salvation Army** as they GIVE HOPE to those recovering from floods, cyclones and fires.

It seems **REAL HOPE**, however, is hard to find. Hope can be placed in things like money, careers and relationships. Sadly, when disaster strikes, often these things are lost. None of these things can fulfil the deep longing for **LASTING HOPE** that's inside every human being. That's why 106five exists ... to **BRING HOPE** to those in our community who are discouraged, hurting and lonely.

## 106five FLICKS

106five and Heritage HM presents the next of our Movie Nights with:

What if *your* deepest secrets were suddenly exposed? Nine friends discover just how explosive it can be when their past becomes their present.

A dramatic comedy, **Hidden Secrets** (PG) tells the story of Jeremy (David A.R.White) a young man struggling with his calling as a youth pastor who finds himself torn between his current girlfriend Rachel (Staci Keanan) and old flame Sherri (Tracy Melchior) at a funeral of hometown hero and friend Chris Hayden.

Meanwhile, Gary (John Schneider) begins to question everyone's beliefs as this close-knit group of friends disputes world views, lifestyles and personal passions. Pastor Wexler (Reginald Vel Johnson) encourages them not to give up but to follow the truth that Chris Hayden lived.

Also featuring recording artist Rachel Lampa and directed by actor/director Carey Scott who appeared in Sarah's Choice, our film last month, **Hidden Secrets** is a story of love, friendship, forgiveness and ultimately faith.

**Friday, 25 March @ Nambour Christian College Lecture Theatre Ph: 5442.2833 for tickets \$10.**

# TRIVIA NIGHT

It was all about trivia but it wasn't trivial.

106five fm's first TRIVIA night was a smash with trivial comments, questions and answers aplenty!!

Through nine amazing rounds of Q&A, everyone who came had an entertaining night and the winning table, from Nambour Baptist Church, scraped in by the narrowest on margins from the "Steve D trivial team."

Fun, fellowship and supporting the work of 106five were the overall winners on the night and most folk were asking.....when is the next one????

Quizmaster Hank gets another round under way

## 106five TESTIMONY

I started advertising in Rhema's Newsletter in September 1996 and consider it good value for money. Thanks 106five FM. - Kay from Kay's Hair Innovations

## 106five FEEDBACK 106five

You will never know how blessed & challenged I & many others are because of this radio station. It helps to keep my focus on God during the day when doing things. I look forward to turning it on every day. I wouldn't miss the TV but I sure would miss this. I love Chuck Swindoll, Focus On The Family, Berni Dymet and others. I always have it on, there is just so much great stuff. I don't listen to any other recorded music I have now, as there is always the radio.

I thank God & I thank you. As a result I am blessed, challenged and encouraged!!

I pray God will allow use of this freedom we have in Aus & continue to bless your ministry.

Don't depend on Someone-Else

Here at 106five Rhema FM we have a group of listeners with strange names. There is **Some, Everyone, Someone, Weall, Nobody** and **Someone-else**.

Now, **Everyone** thought that Christian radio played a vital role in the community. **Some** thought that the Giving Hope Appeal target was a bit of a challenge, but if **Weall** gave just a few dollars the goal would be reached. **Everyone** thought that **Someone** would give, **Someone** was certain that **Someone-else** would meet the challenge, but to **Everyone's** surprise **Nobody** made a donation. **Everyone** looked at **Someone**, **Someone** pointed the finger at **Someone-else**, **Someone-else** said, "If **Weall** had given just a few dollars the target would have been met." But **Nobody** did.

Call now with your donation, don't depend on some one else. Call 54 422 833, be part of Giving Hope 2011, support 106five Rhema FM and help us continue to broadcast a

positive message of hope. If we all gave a few dollars the target will be met.

## FAMILY FILE

In your family, what do you do to remember your baptismal birthday?

Many congregations give candles to the newly baptized. If you have one, do you light it to remind your child of the significance of that day?

Some congregations will give the newly baptized a personalized baptismal banner. If you happen to have one of these, does it hang in your child's bedroom?

Shells are another common gift given to the newly baptized. Do you have one of these symbolic reminders displayed prominently on a dresser or shelf?

Luther took great comfort in knowing he had been baptized. When the Old Adam would attack him, and Satan would tempt him to doubt the promises of God, he would cling to the promises made to him in his Baptism. No other word is greater than God's Word of promise, the Word spoken at your Baptism.

The easiest method of remembering your Baptism is to make the sign of the cross, the sign that was made upon your forehead and upon your chest to mark you as one redeemed by Christ the crucified. When we make the sign of the cross when we hear the words of the Invocation, for example, we are remembering that Triune name of God was written upon us on that glorious day.

Do you know your baptismal birthday? Of course we all know that day that we were born into our earthly families, but do you know the day you became a child of your heavenly Father? Let me ask another question: Do your children know their baptismal birthdays? As they grow up and face the attacks of the enemy, knowing that they have been baptized will provide them with great comfort. For in Baptism, our Lord writes His name upon us, and calls us His own!
